

*Susan Terwilliger was born on March 26, 1944, in Oak Park, Illinois. She was admitted to St. Mary of Providence School on August 25, 1951, when she was six years old. This led to life-long friendships with other individuals having developmental disabilities and relationships with the Daughters of St. Mary of Providence!*

*On September 1, 1972, Susan was transferred to Mount Saint Joseph in Lake Zurich, Illinois. At the time, there were 164 women living on that campus and when it was decided to downsize in the late 1990s, Susan left Illinois and arrived in South Dakota on September 2, 1997. She lived in the Angela Hall Assisted Living Center until June 27, 2011, when she transferred into St. William's Care Center.*

*Susan was always interested in everyone and actively involved in all that was going on at St. William's. She greeted everyone with her smile and made each person feel like they were her best friend! The impact she had was certainly palpable as the word got out about her sudden decline and she had visitors, staff and other residents with her up to the time of her death on March 12, 2018.*

*Susan Terwilliger is survived by her family at St. William's Care Center; as well as nieces and nephews.*

### ***What A Wonderful World***

*I see trees of green, red roses too  
I see them bloom for me and you  
And I think to myself what  
a wonderful world!*

*I see skies of blue and clouds of white  
The bright blessed day,  
the dark sacred night  
And I think to myself  
what a wonderful world!*
