

If Alzheimer's Could Speak...

Talk to me...

I can hear your words
and they still touch my soul.

Smile at me...

My eyes can see you and feel your heart
even if I don't remember how to smile back.

Hold my hand...

I can feel your energy when our hands connect.
It makes me feel safe and less alone.

Love me...

My heart can feel your love even if
my words can't express mine.

Live your life...

Help me on my path but don't press pause
on your life. Be the vibrant person I know & love.

Trust the process...

I know this is hard and not what we
planned but trust the process.
We can't control it but we can choose our focus.
Remember the good times, know that I am ok and
that you are in my heart always.
